

VOYAGE
CREATIVE TRADITION

 **LANDMARK**
CERAMICS

"Wood" is a gathering of porcelain tile collections that reflect various natural wood essences. Floor and wall surfaces accurately reproduce the touch and look of the natural material matching different interior decoration styles. The authentic texture and feel of natural wood combines with the excellent technical characteristics of landmark porcelain tile that guarantees optimal performance in every intended use both residential and commercial.

A new landmark in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

VOYAGE CREATIVE TRADITION

Voyage is inspired by the essence of reassembled wood planks and is distinguished by natural colors and vibrant graphics. Traces and portions of different woods inspired by new industrial and reclaimed materials come to life in a surface with a lived-in charm and a contemporary appeal. The end result is a dynamic and eclectic surface for the most sophisticated design projects.

INFORMATION

RECOMMENDED USE

Voyage is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Voyage is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer. Landmark recommends the use of leveler for a proper installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Voyage tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcusa.com.
