---	-------

Formula Expo System is the range of display units and merchandising tools that Landmark puts at the disposal of customers to display its range of products inside the showroom as the best way possible.

Each element has been tailored to guarantee functionality and practicality of use, ensuring a coordinated aesthetic cared for down to the finest detail.

The tools of Formula Expo System are the perfect support for exhibitions, showrooms and the sale of Landmark products.

---

**FORMULA EXPO SYSTEM**  
THE DISPLAY SYSTEM

---

Each piece of the Formula Expo System has been designed to meet every specific displaying and furnishing need and has been made with the maximum attention to detail.

## FLOOR BASE 4

Code - 550020000095
